Re: Control No: 99-SE-01-019

Dear Mr. Calvert:

The Comptroller of the Currency (OCC) has found that you have met all requirements it imposed and completed all steps necessary to commence the business of banking.

You are authorized to open ***First National Bank of Spartanburg*** on ***March 27, 2000***. We will forward you a Charter Certificate under separate cover.

You are reminded that several of the standard requirements contained in the preliminary approval letter dated *November 10, 1999*, will continue to apply once the bank opens and by opening, you agree to subject your association to these conditions of operation. Some of the requirements bear reiteration here:

1. Regardless of the association's FDIC insurance status, the association is subject to the Change in Bank Control Act [*12 USC 1817(j)*] by virtue of its national bank charter.
2. The board of directors is responsible for regular review and update of policies and procedures and for assuring ongoing compliance with them. This includes maintaining an internal control system that ensures compliance with the currency reporting and recordkeeping requirements of the Bank Secrecy Act (*BSA*). The board must train its personnel in *BSA* procedures and designate one person or a group to monitor day-to-day compliance.
